“Focusing on Young, Distracted and Drowsy driving”

Did you know? - According to a recent study on US 195 Crash Analysis,
69% of all collisions were caused by young, distracted, and drowsy drivers alone

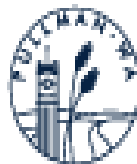

Its time to instill a Driver Behavior that saves lives!

A Year long project with primary focus on US195 and SR26 in Whitman County

Lets get to TARGET ZERO by 2030 Together!

GET INVOLVED AND
BE A PART OF THE SOLUTION!
